Good morning Sarah: I made some edits and offered a few comments. I've attached our February 2020 letter to OST fyi. It references our initial 2013 letter (which focused only on Section 106 consultation). As your draft reflects, we did not offer general consultation until November, 2015.

Hi Douglas –

Here's an initial draft. We haven't received any input yet from Kim, but I'll be on the lookout for that and will incorporate her edits when we do. I'd like to get this draft to Paul and Kim by 9am tomorrow (Tues) if you are able to review before then. I figure we can always get Kim's comments when she and Paul review.

Thanks,
Sarah
